Dear Audience Member,

Isle of Wight Symphony Orchestra Season Tickets

A big thank you to those of you who have been season ticket holders and I hope you will consider being a season ticket holder again for next season. On the reverse of this letter are the dates and programmes for next season.

Unfortunately, we are now being charged the £1 booking fee for each concert on season tickets. Whilst this is disappointing, it is in all our interests to keep the theatre open. So the box office price will be £16.00 (including £1 booking fee) and the season ticket price £14.50 (including booking fee) per concert. Season ticket holders also get a saving on their programme (normal cost £2.50, season ticket holders £2.00). Ticket prices for under 18s will also rise to cover the booking fee. This means that season ticket holders will benefit by saving £2 per concert as well as knowing they have their chosen seat reserved for the whole season. If people wish to pay by BACS they are welcome to do so and the details are on the booking form, however, there is a £1 surcharge to cover postage & packing. Audience numbers have been good for this season, so a season ticket is the best way of ensuring your seat.

Please think carefully when choosing your seats. The volunteers at the theatre are there to show you to your seats, **not** to physically help you in and out of them, and the stairs at the theatre are not the easiest. Row K is specifically allocated as an easy access row as no stairs are involved. You need to be able to vacate your seat by yourself quickly in case of an emergency.

If you would like to renew your season ticket, then I would ask you to complete the attached form and return it to me by post **with a S.A.E.** (Unless paying by BACS). If there are any questions, please do not hesitate to contact me.

If you would like to become a season ticket holder then, once again, please contact me.

Yours sincerely,

Tim Isard
